Shoes For Africa Appeal

Persephone Allaway is a Landkey resident working towards her silver Duke of Edinburgh award. She has set up a project to collect used shoes which will be sent to children and adults in Africa as she wishes to help people who are less fortunate than us. She would like to collect any types of shoes: sandals, trainers, boots, both adults and children. These shoes must be in satisfactory condition so that they can be worn again by somebody else. If you are able to donate pairs of shoes, Persephone has a green bin labelled "Shoes For Africa" located outside her house (6 Cherry Tree Drive, Landkey) and there is also a bin outside Landkey Stores.

Online Safety

The internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, on a range of devices. However, the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge.

Here is a round-up of useful website which are good sources of information and advice for parents:

<https://parentinfo.org/>

Parent Info is a free web service providing information to parents and carers.

<https://www.nspcc.org.uk/ShareAware>

Advice from NSPCC on social networks, apps and games.

<https://www.childnet.com/parents-and-carers>

A non-profit organisation working with others to help make the internet a great and safe place for children.
