

Turtles Year 4

Maths

We will use our learnt times tables facts to multiply and divide larger numbers and then move on to investigate perimeter.

Topic Web

English - Reading

We will be using *Oliver and the Seawigs* as our key text for reading, as well as exploring a range of extracts.

Spring Term 1

English - Writing

The Lion, the Witch and the Wardrobe will influence our own narrative writing, as will *Weslandia* when we move onto non-chronological report writing.

Computing

We will become programmers making our own wrapping paper designs.

Geography

We will use our knowledge of the UK learnt at the beginning of the year to compare aspects of the UK with India.

RE

We will explore what Muslims believe and what difference this makes to their everyday lives, including festivals.

Art

We will use drawing, painting and collage skills to create still life images.

PSHE

We will explore new goals and aspirations.

Music

We will develop our pulse and groove through a range of music.

MFL - French

We will create simple written sentences including an adverbial opener, a verb, nouns, adjectives and conjunctions this term.

Science

We move onto creating enquiries to investigate sound and how we hear.

PE

We will continue to progress our ball skills as well as working on our gymnastics skills.
