

Jellyfish Year 3

Maths

We are continuing our learning of simple fractions and then moving on to explore money.

Topic Web

English - Reading

We are continuing to read Charlotte's Web by E.B. White as a class this half term.

Summer 1

English - Writing

We are going to be reading the text Theseus and the Minotaur to support us writing a mythical narrative and writing a persuasive letter linking to our Geography learning.

Computing

We are going to be learning about desktop publishing and also thinking about how the internet can support our health, well-being and lifestyle.

Geography

Volcanoes and Earthquakes: a suitable home?

RE

How do festivals and family life show what matters to Jewish people?

Art

We are going to be creating sculptures using modroc.

PSHE

We are thinking about how we build healthy relationships.
Focusing on being caring and considerate.

Music

How does music make a difference to us everyday?

MFL - French

We are going to be learning simple greetings and how to introduce ourselves in French.

Science

We are learning about plants and what they need to grow. We are continuing to focus on using scientific language.

PE

We are going to be participating in the Chance to Shine Cricket programme.
Continuing to develop counter balance and co-ordination skills through games and activities.
