

Turtles Year 3

Maths

We will continue to use addition and subtraction methods before focussing on ALL times tables to 12 x 12.

Topic Web

English - Reading

This term we will read *The Boy Who Grew Dragons* and explore a range of text extracts on themes such as remembrance, environment and Christmas.

Autumn Term 2

English - Writing

After finishing our work on explanation texts we will explore narrative again using the legend of *Beowulf* to stimulate our own writing.

Computing

We will explore sound software to edit pieces of sound .

History

After our trip we will explore the role of the Anglo-Saxons on our history.

RE

We will explore what it means to be Hindu in Britain today.

Design Technology

We will research, design, make and evaluate an electrical Christmas decoration.

PSHE

We will be celebrating our differences this term.

Music

Our French horn lessons will continue every Monday.

MFL - French

Build up our sentence skills with noun, colours and conjunctions.

Science

Solids, liquids and gasses will be our focus for the next seven weeks.

PE

We will improve our net and wall games skills this term.
