Topic Web

Term Summer 2

Communication and Language

We will be reading a range of books particularly those that rhyme. We will be answering why, who and where questions linked to the story.

We will be learning new vocabulary linked to minibeasts and plants and using these words in our play.

Personal, Social and Emotional Development

We will be exploring the topic changing and growing. We will look at the things that we are good at and the things that we enjoy.

Physical Development

We will be developing our fine motor skills through playdough, pushing pinching and rolling. We will use a combination of big and small paintbrushes as well as big and small pencils to practise different mark making.

Understanding the World

We will be finding out what living things need to grow. We will be planting seeds and watching them grow.

We will be exploring areas of the garden and finding minibeasts counting legs and looking at the way they move.

Literacy

We will be introduced to Fred the frog and the way that he speaks. We will listen and see if we know what Fred is saying.

We will follow the read write inc programme for phonics.

Mathematics

We will be looking at and finding different shapes. Noticing patterns and completing patterns linked to colour and shape. We will begin to look at the numbers to 5 starting to recognise what they look like and counting lots of things we find.

Expressive Arts and Design

We will complete a combination of adult and child led activities. We will explore new tools and resources to create pieces.

We will explore printing with natural objects and make different patterns.
