

## Oysters Year 1

### Maths

- Place Value (within 10)

### Computing

We will be looking at technology around us, locating examples in the classroom and explaining how it help us.

Our E-Safety focus will be on self-image and identity.

### Art

We will be drawing and sketching using a variety of colour, pattern, textures, lines, shapes, form and space.

### MFL

We will focus on greetings, songs and rhymes.

## Topic Web

### English - Reading

We will continue *Read, Write, Inc* phonics sessions and our decodable reading books!

### Geography

We will be thinking about where Landkey is and what it is like here.

### PSHE

We will be looking at 'Being me in my world', focusing on being happy and confident.

### Science

We will be beginning to look at materials and thinking about their properties.

## Autumn 1 2023

### English - Writing

We will be looking at the texts 'Oi Frog' and 'The Gruffalo'. We will focus on writing a sentence using finger spaces, capital letters and full stops. We will also look at rhyming words.

### RE

We are looking at belonging.

### Music

We will be singing and introducing beat.

### PE

We will be looking at travelling in different ways by rolling forwards, backwards, sideway and changing direction and speed. We will also do yoga.
