

## Jellyfish Year 3

### Maths

We are continuing our learning of simple fractions and then moving on to explore money.

### Computing

We are going to be learning about desktop publishing and also thinking about how the internet can support our health, well-being and lifestyle.

### Art

We are going to be creating sculptures using modroc.

### MFL - French

We are going to be learning simple greetings and how to introduce ourselves in French.

## Topic Web

### English - Reading

We are continuing to read Charlotte's Web by E.B. White as a class this half term.

### Geography

Volcanoes and Earthquakes: a suitable home?

### PSHE

We are thinking about how we build healthy relationships.  
Focusing on being caring and considerate.

### Science

We are learning about plants and what they need to grow. We are continuing to focus on using scientific language.

## Summer 1

### English - Writing

We are going to be reading the Hodgehog to support us writing an adventure narrative and writing a persuasive letter linking to our Geography learning.

### RE

How do festivals and family life show what matters to Muslim people?

### Music

How does music make a difference to us everyday?

### PE

We are going to be participating in different Athletics events this term.  
Continuing to develop counter balance and co-ordination skills through games and activities.
