

Jellyfish Year 3

Topic Web

Spring 2

Maths

We are continuing our learning of finding a perimeter and area of a shape and beginning to explore simple fractions.

English - Reading

We are completing Nothing to see here Hotel by Steve Butler before reading Charlotte's Web by E.B. White as a class this half term.

English - Writing

We are going to be writing a diary using the book Matilda by Roald Dahl as well as continuing to practice writing our own narratives.

Computing

We are going to be learning what a branching database is and how we can use them.

Also thinking about how the internet can support our health, well-being and lifestyle.

History

What did the Ancient Greeks give to the world?

RE

What kind of world did Jesus want?

DT

We are going to be creating Easter cards that including a moving part using a hinge and lever

PSHE

What makes a "Healthy Me?"
Focusing on being happy and confident.

Music

How does music help us get to know our community?

MFL - French

We are continuing to practice counting in French and also learning about famous French landmarks.

Science

We are going to be exploring light this half term.

PE

Dodgeball

Continuing to develop counter balance and co-ordination skills through games and activities.
