

Landkey Primary

Reading Spine

This document will share recommended texts/books for each year group

Reading Curriculum Plan

Phonics

Our aim is that our pupils learn to read and write effectively and quickly using the Read Write Inc. Phonics programme. They progress onto Read Write Inc. Spelling once they can read with accuracy and speed.

Reading

We believe reading opens up a new world for children and gives them the opportunity to explore new ideas, visit new places, meet new characters and develop a better understanding of other cultures. Exposure to a quality reading material occurs in explicit English lessons but also across the curriculum ensuring we meet the needs of all learners. Reading is the back bone of our curriculum so we provide opportunities for children to listen to a range of high quality texts, read both independently and aloud as well as allowing them the chance to discuss and recommend books they have read to their peers. We want our pupils to be passionate about reading and display a love of books. They will be confident readers who show a high level of comprehension.

Whole class guided reading					
	Y2 (Summer term)	Y3	Y4	Y5	Y6
Intent	To consolidate pupil fluency and accuracy and develop comprehension skills required to achieve the age related expectations				
Implementation	Daily whole class guided reading sessions which follow a set approach. Monday to Wednesday children read the guided reading novel. Thursday and Friday children will read extracts that link to the novel and help to extend comprehension skills and reading strategies. Children will have access to their own copy of the guided reading text or share a copy with a partner. An increasing expectation of written recording of understanding through KS2				

Shared reading as part of a teaching sequence

	Y1	Y2	Y3	Y4	Y5	Y6
Intent	Exposing children to high quality text model in a variety of text types, as models for writing at a higher level than all the children could access independently					
Implementation	First section of each teaching sequence is sharing the text, providing opportunities to respond to the text, provide opportunities to map and learn the text, exploring text structure and summarise text features – age appropriate					

Core reading texts to support reading to learn across the curriculum					
	Y3	Y4	Y5	Y6	
Intent	Listen to and read a wide variety of texts to find out information and develop knowledge across the wider curriculum		The skills of information retrieval should be applied in reading textbooks from across the curriculum and in contexts where pupils are genuinely motivated to find out information		

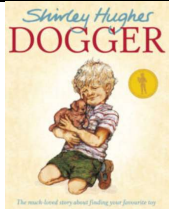

Reading aloud to children					
	Y3	Y4	Y5	Y6	
Intent	Introducing children to a wider range of authors and contexts e.g. historical and cultural		Exposing children to challenging texts e.g. language, themes,		
Implementation	Daily exposure to quality books for a minimum of 10 minutes Development of a reading spine				

Independent reading and home/school reading					
	Y3	Y4	Y5	Y6	
Intent	Choosing appropriate texts Reading for sustained periods of time Increasing the length and complexity of texts being read Read short novels independently with understanding		Reading age appropriate books, including whole novels. Widening the range and challenge of books they read, including texts from a wider literary heritage		

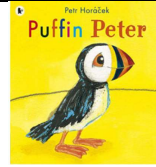

Implementation	Books selected on reading age. Accelerated Reader used to indicate the level of book the child should be reading. Opportunities to take home books.
-----------------------	--

Assessment	Y2	Y3	Y4	Y5	Y6
Assessment evidence	AR quizzes (if appropriate) Half-termly AR tests NFER tests Observations of reading behaviours and talking to pupils Reading grids Phonics / spelling assessments Guided reading records	AR quizzes Half-termly AR tests NFER tests Observations of reading behaviours and talking to pupils Reading grids Phonics / spelling assessments Guided reading records	AR quizzes Half-termly AR tests NFER tests Observations of reading behaviours and talking to pupils Reading grids Phonics / spelling assessments Guided reading records	AR quizzes Half-termly AR tests NFER tests Observations of reading behaviours and talking to pupils Reading grids Phonics / spelling assessments Guided reading records Book reviews Written responses to reading activities	AR quizzes Half-termly AR tests SATs- past papers NFER tests Observations of reading behaviours and talking to pupils Reading grids Phonics / spelling assessments Guided reading records Book reviews Written responses to reading activities
