

Oysters Year 1

Maths

- Place Value (within 10)

Topic Web

English - Reading

We will continue with *Read, Write, Inc* phonics sessions and our decodable reading books!

Autumn 1 2022

English - Writing

We will be looking at the texts 'Oi Frog' and 'I love bugs' to learn about rhyme. We will focus on writing a sentence using finger spaces, capital letters and full stops.

Computing

We will be looking at technology around us, locating examples in the classroom and explaining how they help us.

Geography

We will be thinking about where Landkey is and what it is like here.

RE

We are looking at belonging.

Art

We will be drawing and sketching using a variety of colour, pattern, textures, lines, shapes, form and space.

PSHE

We will be looking at 'Being me in my world' focusing on being happy and confident.

Music

We will be singing and introducing beat.

MFL

Greetings, songs and rhymes

Science

We will be beginning to look at materials and thinking about their properties.

PE

We will be looking at travelling in different ways by rolling forwards, backwards, sideways and changing direction and speed.
